

Hotel Studio

Hotel Studio is where you **edit the design of the guest page directly on a live preview**. Tap the text and type, drag rows by their handle, tap the cover or logo to replace them — no code required.

“ **How do I open this screen?** From the left menu, go to **Bumerang → BUSINESS → Studio**. (The **Studio** button on the Hotel Guest Portal screen opens it too.)

1. Direct editing

- **Text:** tap any text on the page and type straight into it.
- **Order:** reorder rows by dragging the handle on the left.

- **Cover and logo:** tap the cover photo or the logo to replace it.
- **Hotel name:** tap the heading and type.

Page sections are managed here too: + **add request type** adds a new request type and + **add information** adds a new hotel-information row.

2. Ready-made themes

Choosing a theme bundle changes all colours and typography in one move:

- **Automatic / my own theme** — keeps your existing settings.
 - **Resort** — warm gold, night tones.
 - **Boutique** — anthracite and champagne.
 - **Coastal** — pale sand and sea.
 - **Business** — navy and brass.
-

3. Typography and shape

- **Font:** ready-made pairings for heading and body — *Corporate (Lora + Inter)*, *Editorial (Fraunces + Inter)*, *Clean (Inter)*, *Luxury (Cormorant + Inter)*, *Classic (Cormorant + Nunito)*, *Modern (Oswald + Rubik)*, *Elegant (Lora + Noto Sans)*, *Soft (Quicksand)*, *Plain (Rubik)*.
 - **Font size:** Small / Medium / Large.
 - **Corner rounding:** Low / Medium / High.
 - **Shadow:** None / Light / Pronounced.
 - **Spacing:** Tight / Medium / Wide.
 - **Secondary accent colour:** set with a colour picker.
-

4. Cover settings

- **Cover height:** Short / Medium / Tall.
 - **Background:** theme default, solid colour, gradient or pattern.
 - **Pattern:** none, dots, lines, squares or diagonal.
 - **Cover dimming:** Light / Medium / Dark. This setting determines how readable the text over the image is — increase the dimming on light-coloured photos.
 - **Cover text position:** Top / Middle / Bottom.
-

5. Buttons

- **Button style:** *Filled* or *Outlined*.
 - **Button rounding:** Low / Medium / Full.
-

6. Finding images

- **Upload my own photo:** upload your own image.
- **Suggest a free image:** type a keyword in the search box (for example *pool, spa, lobby*) to get royalty-free image suggestions. A practical option when you have no professional photography.

The **Reset to theme** button returns every visual setting to the selected theme's defaults.

“ **Related pages: Hotel Solution → Guest Portal** (content and request types), **Retail Studio**.
