

License Information

License Information is a **read-only** screen showing your account's license status and the contact details of the dealer serving you. The values here cannot be edited; license renewals and scope changes go through your dealer.

“ How do I open this screen? From the left menu, go to **Settings → License Information**.

1. License Details

- **Company Name:** the business the license is registered to. This name appears as the legal entity in the KVKK/GDPR and terms-of-use texts.
- **License Number:** the license key unique to your account. Quoting it when you open a support request speeds things up.

- **License End Date:** the last date the license is valid. **Once this date passes, guest logins and 5651 log signing stop** — contact your dealer as the date approaches.
 - **Type:** the scope of the license (for example *5651 Logging/Hotspot*). The scope determines which modules you can use.
-

2. Dealer Information

- **Dealer Name:** the partner providing the license.
- **Authorized Person:** your contact on the dealer side.
- **E-Mail:** the dealer's contact address. Write here about renewals, scope extensions and billing.

“ **For technical support:** for installation and integration problems, write to **destek@useroamteknoloji.com**.

“ **Related pages:** **Settings → Device Settings, Analytics and Reports → 5651 Logs**.
